**CEO Kimberly Y. Warren, MS Ed.**, a Certified Grant Writer, Former MWSU Adjunct Education Professor and 501©3 Developer, has formalized and expedited almost 440 new, non-profit businesses within 44 states. Likewise, Ms. Warren has launched **“The Complete AGWS Non-Profit Management Course”**: *30 Video Training Modules with Kimberly Warren*).

This course is jam-packed with rich content, spanning over 30 years of non-profit management, and grant proposal writing training with the U.S. Dept. of Education and NWMSU.

**The 30 Video Training Modules** serve as invaluable building blocks for online grants management, marketing, and fundraiser courses. The self-paced, video modules present energetic, creative, step-by-step strategies from this pioneer trainer and CEO that has been designing non-profits and writing grant proposals and assessments since 1985; including the execution of the 21<sup>st</sup> Century Learning Center grants at Stewartville C-2 Public School for the superintendent of schools and specializing in community education since 1998.

**The Learning Content is Designed to Teach Specific Topics and Skills in How to:**

- Financially Sustain and Market Any Type of 501©3;
- Present the Most Critical and Marketable Components in Grant Writing Competitions;
- Build a Rapport with Donors, Philanthropists, Sponsors, etc.; and
- Build a Team of Stakeholders, Volunteers, or Board of Directors, and so much more!

**“The Complete AGWS Non-Profit Management Course”** (\$1,799 package) includes:

1. Access to the 30 Video Modules (up 1-year access or may include the one-time DVD 30 video series);
2. Pre-Recorded and Live Video Updates Throughout the Year;
3. Responses to Frequently Asked Questions;
4. Guidance, Reviews & Updates on Current Grant Writing Competitions & Requests for Proposals (RFP's);
5. On-Going Strategies for Virtual and In-Person Capital Campaigns & Donor Dinners; and
6. Techniques to Master State, Federal and National RFP's.

Additional consultation retainers may be designed and tailored-made training modules may be negotiated to benefit the client's needs; such as other informational online courses, program assessments/evaluations, board training, specific grant tutorials, mentorships, proposal edits, point-and-click interactions, or demonstrations. Offering a variety of content types will allow the client to create a richer and more robust training experience for all learners.

**“The Complete AGWS Non-Profit Management Course”**: 30 Video Training Modules does not include the 501©3 application completion, actual grant or proposal writing services, travel, or on-site training.
